Notes

1. Some of the above originally came from RootsWeb's WorldConnect Project 28534, ID:I302, Joseph Jean-Baptiste Laporte, as of 25 Aug. 2001. I've checked the information there against the original records in the Drouin Collection (via Ancestry.com) and made corrections where appropriate. You can follow the paternal line back to France via this project: (<http://wc.rootsweb.ancestry.com/cgi-bin/igm.cgi?op=GET&db=:a28534&id=I302>). I believe the RootsWeb project is incorrect with regard to Joseph Jean-Baptiste's name—it was Joseph Marie Laporte dit St. George. See note 4. The only record of Joseph LdSG's middle name (Marie) is his 1777 baptism record.

2. In some cases we only know of a child because of a marriage record. We haven't been able to find a corresponding baptism record for that child. And there may have been other children, of whom we know nothing. The order of birth as presented above is to some degree guess work..
3. "St-Pierre-de-Sorel" was the name of a parish in Richelieu County, Quebec. It is now a part of the city of Sorel-Tracy. All of the place names from parish records were the names of Catholic parishes. I've abbreviated this as "Sorel" in some places.
4. This family is descended from earlier "Laporte dit St. George" generations, and inherited the name. Each person is often recorded with just one or the other part of his name. This was true of all persons with "dit names."
5. This family is easily confused with the family of Jean Baptiste Laporte dit St. George and Marie Arpin, of St-Ours, since Joseph Laporte dit St George is referred to as "J. Baptiste Laporte" in the 1802 St-Pierre-de-Sorel record of his marriage to Marie Arsenault. Joseph is not referred to as "Jean Baptiste" in any other record which pertains to him (in my opinion), and Marguerite is never referred to as "Marie." The Jean Baptiste, of St-Ours, was the son of Joseph's older half-brother, Jacques Laporte dit St-George, of St-Ours. This Jean Baptiste LdSG and Marie Arpin were married 11 Nov. 1823 in St-Ours, whereas Joseph LdSG & Marguerite Arpin were married 14 Apr. 1823 in St-Ours; and so their children were born during the same stretch of years. The RootsWeb project attributes two children (Joseph and Marie) to Joseph & Marguerite whom I believe belonged to Jean Baptiste & Marie. The only records of these children are marriage records, which name their parents as "Jean Bte St George" and "Marie Arpin (or Harpin)," of St-Ours.
6. I haven't made strenuous effort to find records of all the grandchildren.
